Lot Grading Certificate

This Certificate relates to Lot: _____ in Block: _____
of _____ Subdivision, Belvidere, IL
also known as: _____
(Street Address)

I, _____, Owner or principal of the firm listed below hereby certify that an inspection of this property was conducted and the following items are in substantial conformance with the approved drainage plan for this subdivision.

I. An as-built survey showing the following information is included as part of this certification.

- a. Finished grade at all lot corners and all exterior corners of any structure.
- b. Elevations ten (10) feet opposite each structure's outside corner shall be shown to verify a five percent (5%) pitch away from said structure, in at least one direction.
- c. If the lot has defined drainage ditches or swales, elevations every fifty (50) feet along the ditch or swale must be provided.
